## When does East Bay Paratransit run?

ADA paratransit is designed as a direct substitute for regular bus or BART service. Therefore, East Bay Paratransit service is only available near operating bus and BART lines. Specifically, paratransit service is available within 3/4 of a mile of an AC Transit bus route or within 3/4 of a mile of a BART station during the same hours that buses and BART trains are running on those routes. Both the origin and destination of the paratransit trip must meet this standard. The East Bay Paratransit Customer Service Center will tell you if paratransit will be available for any particular trip you might want to make.

## How does someone become able to use the service?

To use East Bay Paratransit, you must apply through the Eligibility Certification Department and be found eligible for the service. The process includes both a paper application and an in-person interview. Only people who have a disability or a health condition that prevents them from using buses or BART trains are eligible to use the service. Please note that not all disabilities will make a person eligible for paratransit.

## Once eligible, how are rides arranged?

Travel on East Bay Paratransit is by advance reservation only. No same day reservations are accepted. Reservations are made on the phone to the East Bay Paratransit Customer Service Center. Reservation calls are accepted from 8:00 a.m. to 5:00 p.m. every day, including weekends. You can make a reservation as early as seven days in advance.

## Do I travel alone in the vehicle?

East Bay Paratransit is a "shared-ride" service. This means that other riders with different destinations will be picked up and dropped off along the way and the routing is not necessarily linear. Your trip may take longer than if you took a taxi or drove yourself. Your ride may take a similar amount of time as the same trip would take on an AC Transit bus, including transfers and wait times.

Yes, the driver will help in several ways. For example, the driver can assist with up to two small grocery bags, or lend an arm to lean on while riders get into the sedan or van. They cannot look for riders in an office, apartment or waiting room. And they cannot move someone in a wheelchair up or down steps.

## When will my ride come?
