## **NOTICE THAT APPLICATIONS ARE BEING ACCEPTED TO FILL VACANCIES ON EAST BAY PARATRANSIT'S SERVICE REVIEW ADVISORY COMMITTEE (SRAC)**

Applications are being accepted from individuals who are interested in volunteering to serve on East Bay Paratransit's Service Review Advisory Committee (SRAC). The Committee may have a limited number of openings depending on the number of current members seeking reappointment. At least one (1) immediate vacancy will be filled from this recruitment. Additional vacancies resulting from the non-appointment of existing members as well as resignations will be filled from qualified applications received during ongoing recruitment.

East Bay Paratransit established a rider advisory committee to work with management staff even before service began. This committee, known as the SRAC, has been a part of the ADA paratransit program since 1995.

The 16 member committee consists of twelve East Bay Paratransit users from all parts of the service area, and four other members and individuals from city programs or social service agencies that have ADA riders as clients.

Meeting months typically are: February, April, June, August, October, and December. Travel to and from the meetings is free for members.

SRAC members work with management staff on issues such as:

- Developing changes to procedures or policies
- Reviewing budgets and funding claims
- Providing input on updates to East Bay Paratransit documents and correspondence
- Observing driver training
- Outreach to people with disabilities who need to know about paratransit

In addition, the SRAC offers a public forum for the community to bring their comments or concerns about paratransit service issues.
